### **1. Group Exhibition, “Shapeshifters” at Luhring Augustine**

An all-star cast of high abstract painters have descended on Chelsea’s Luhring Augustine gallery. According to a statement from the gallery, the show’s name takes its inspiration from the word “shapeshifting,” in which “an object or being is capable of assuming another form.” Expect lots of vibrant shapes and minimalist canvases here, brought to you by household names like Elizabeth Murray, Frank Stella, and Philip Taaffe.

**Location:** 531 West 24th Street
