### Opening: Steve Wolfe at Luhring Augustine

Luhring Augustine will stage a memorial exhibition, appropriately titled "Remembering Steve," that takes a look at the exacting reproductions of tattered paperbacks and vinyl records of Steve Wolfe, who died last year at age 60. On view will be some of his "Book Pieces," in which famous mass-market versions of literary works by James Joyce, Gertrude Stein, and others are recreated in enamel and made to look as though they were used.
